ACCIDENTAL DEATH OF F. MILLENBACH CASTS DEEP GLOOM

CITY MOURNS DROWNING OF WORLD WAR VETERAN; HIGH WIND MADE RECOVERY OF BODY DIFFICULT; MILITARY FUNERAL

Citizens of this city were greatly shocked late Friday afternoon when Forrest Millenbach, age 28, son of Mr. and Mrs. Henry Millenbach, 826 8th avenue south, and a Corporal in Battery E, 120 F. A., was accidentally drowned in the Wisconsin river when he fell off an artillery horse while attempting to give the animal a bath. The accident occurred at three o'clock, just south of the Green Bay railroad bridge and was witnessed by Elmer Zeaman, George Morzynski, Leviere Ticknor, all members of Battery E, and several members of the Green Bay switch crew.

Went Down Only Once

According to witnesses the horses had just been given a soap lathering and were being ridden into deeper water in an attempt to wash off the soap. Millenbach and Zeaman were riding side by side when Millenbach's horse suddenly lunged forward, causing his rider to slide off to the rear. As he fell off, Millenbach grabbed for Zeaman, catching him by the leg and pulling him from off his mount. Zeaman thought that Millenbach was fooling as he was considered to be a fair swimmer, but a moment later found that he was in earnest and grabbed for Millenbach just as he went down. Catching hold of the drowning man Zeaman hollered for help and endeavored to work his way to shore. He was unable to make any headway because of Millenbach's struggles and in an attempt to obtain a more advantageous hold Zeaman lost his grip. Waiting for the body to rise Zeaman sprang for Millenbach's cap as it came up. Ticknor and Morzynski jumped into the water in an attempt to aid, but owing to the fact that the body did not rise were unable to do anything.

Members of the switching crew also ran to the rescue after hearing the cries for help and arrived just in time to see Millenbach go down. Breaking into the boat houses they succeeded in obtaining a boat from which Zeaman and Ticknor attempted to recover the body by diving. Others notified the Fire Department and the Consolidated Water Power & Paper Co., who sent men and boats in an effort to locate the body.

Handicapped by the high wind and lack of pike poles the searchers were unable to locate the body until 4:35 when Wilbur Klug, this city, succeeded in finding it. Bringing the body to shore workers endeavored to bring life back, but as the body had been in the water over an hour and a half the attempt was unsuccessful and the body was taken to the G. W. Baker Undertaking Parlors.

Born in Merrill

Forrest Millenbach was born in Merrill, Wisconsin, August 19, 1893 and attended the public schools in that city. In November, 1908, he moved to this city where he was followed by his parents in April, 1909. During his residence in Merrill and this city he was always a favorite because of his happy disposition and pleasing personality.

March 21, 1922, he was united in marriage to Miss Lydia Pfund, also of this city, and since their marriage has resided on Eighth street south.

Excellent Military Record

"His military record is one that should be a goal for all as he was not only a favorite among his comrades, but was always considered to be one of the most conscientious of workers by his superior officers," stated Captain Kraske Saturday morning. Previous to the declaration of war with Germany Millenbach enlisted in the First Wisconsin Cavalry, enlisting March 27, 1917 in Troop G, July 23, 1917, the unit was called to Camp Douglas and from that time on, Millenbach was with the local unit until the return home, May 17, 1919. In Texas, in New Jersey, in France, where he served 15 months, he was always ready to go where ordered and when the outlook for the Battery was not any too good it was always a cheery word from "Gog," as he was called by members of the Battery, that made things brighter.

With the reorganization of the Wisconsin National Guard, Millenbach again enlisted May 25, 1921 and re-enlisted May 21, 1922. His willingness to bear more than his share and his ability as a soldier won him the rank of Corporal in Battery E, where he was also employed as caretaker of the horses and stables.

Funeral Monday

Funeral services will be held Monday afternoon at 1:30 from the home and 2:00 o'clock from the Methodist church, Rev. Bennett officiating. The funeral will be held under the auspices of Battery E with full military honors being carried out.

He leaves to mourn his sudden death his wife, Mrs. Lydia Millenbach; his father and mother, Mr. and Mrs. Henry Millenbach; two brothers, Philip and Claire; and two sisters, Mrs. Edward Gleason, Port Edwards and Phyllis, this city.

Murdered

Walter Rathenau, German minister of foreign affairs, who was shot down by an assassin in Berlin today. Dr. Rathenau was the leading German representative at the Genoa Economic conference.

German Minister Of Foreign Affairs Assassin's Victim

(By Associated Press.)

Berlin, Germany, June 24— Dr. Walter Rathenau, German minister of foreign affairs, was assassinated today. The minister was shot and instantly killed as he was leaving his residence in Grunewald, a suburb of Berlin, for the foreign office in his automobile. The assassin escaped.

Official announcement of Dr. Rathenau's death was made in the Reichstag.

Fled In Motor Car

The murderer who was driving in a motor car, slowed up as he saw Dr. Rathenau and shot twice at the foreign minister which took immediate fatal effect. Putting on high speed the assassin escaped.

Dr. Rathenau was the guest at dinner last night of Alanson B. Houghton, the American ambassador. On receiving news of the assassination of the foreign minister this morning the American embassy promptly hoisted its flag at half mast.

No clew to the identity of the murderer has been discovered.

Moravian Churches Celebrate 200th Anniversary Tomorrow

On Sunday, the First Moravian Church of this city joins with the Moravians throughout the world in celebrating the 200th anniversary of the arrivals of refugees from Moravia on the estate of Count Zinzendorf of Saxony where they were offered an asylum from prosecution.

The Moravian church was organized March 1, 1457, by followers of John Husg who was burned at the stake July 6, 1415. The church grew rapidly attaining a membership in Bohemia and Moravia alone of over 25,000 by the time the anti-reformation broke. For many years the fires of faith were kept burning in secret. A number of families, forsaking all their earthly goods started on a perilous journey to Saxony where they founded Herrenhult June 17, 1772 which became the new center of the Moravian church, and which anniversary will be celebrated throughout the world.

Mr. and Mrs. J. Indermuehle and family of Plainfield were visitors in this city Saturday.

Mr. and Mrs. Russell Alexander, Mr. and Mrs. C. K. Kraus and Mr. and Mrs. James Chamberlain motored to Waupaca Saturday afternoon to spend the week end at the Chain-o'-Lakes.

DEMOCRATS FACE SPLIT ON LIQUOR LAW MODIFICATION

EXPECT LIGHT WINE AND BEER AND STRICT ENFORCEMENT FACTIONS WILL CLASH AT COMING CONFERENCE

Madison, Wis., June 24—The Wisconsin Democratic state conference to be held at Milwaukee June 27 faces a sharp division over the prohibition issue which this year is assuming a prominent place in state politics.

Two groups within the party are expected to advance their plan for rebuilding the organization in Wisconsin. One will favor declaration for modification of the Volstead law to permit return of light wine and beer, the other will oppose any declaration on prohibition, other than a blanket plank for law enforcement, and will advance other suggestions for an appeal to the voters this fall.

Expect Two Candidates

Out of this split, Democratic leaders predict, will probably come two candidates for governor, one candidate running in the September primaries on a platform calling for modification of the Volstead act, and a candidate opposing any active stand against the present prohibition laws.

It is understood that the drys within the party have informed John P. Hume, chairman of the state Democratic central committee, that they will vigorously oppose on the floor of the convention any attempt to put the party on record as favoring less regid liquor law enforcement.

Riley Leads Drys

Miles C. Riley, chairman of the Dane county Democratic committee will probably lead the dry forces at the conference. He is mentioned as a likely candidate for governor should there be a division of factions. Dr. Sidney T. Smythe, president of St. Johns Military academy, is another leader of the drys who is named among the receptive candidates for the gubernatorial nomination.

Mayor A. A. Bentley of LaCrosse has already announced his candidacy for governor. He is reported to favor a return of light wines and beer and to be the candidate favored by the wets within the party.

Seek Wet Votes

Those members of the party who favor modification of the Volstead law are said to believe that there is a wide popular demand for light wines and beer which would be reflected in a swing to the Democrat candidates of a large bloc of voters. They will urge this stand as a means of rebuilding a large following for the party.

Their opponents on this issue have already told the state central committee that they will fight against any attempt to include a wet plank, and will consider running a minority candidate should they be defeated on the floor.

Thomas M. Kearney of Racine, will call the convention to order at Plankintgon Hall Tuesday morning. His will be the keynote speech of the gathering and will contain an attack on the Republican party and outline the issues on which the Democrats will appeal to Wisconsin voters in the election this fall.

The work of shaping a platform is expected to be undertaken first, and it is an adoption of the planks that the fight of the convention may develop should the wets include their declaration for modification of the prohibition laws.

A full slate of state officers and U. S. Senator will be named following the adoption of the platform. If there is a defection, the drys will set up their candidate, to oppose the majority nominee at the September primaries.

Representation from practically every county of the state is looked for at the convention. Some opinion is expressed that the large Milwaukee delegation may have control of the meeting and be able to carry through their platform plans.

Arraign Sigel Man On Abusive Language Charge

Wm. Winch of the town of Sigel was arraigned before Judge W. H. Getts yesterday on a charge of assault and abusive and obscene language made on complaint of W. V. Cepress. The case was adjourned until June 30.

Miss Helen Brockman, 505 Saratoga Street, returned Friday from a visit with relatives in Rudolph.

Captured

Fred Brown, alias Gus Grimes, charged with chaining two women and a man in a shack at Omaha, Neb., capturing a deputy sheriff and town marshal at Sidney, Neb., and creating terror in other towns, lies in a prison ward at Rawlins, Wyo. He was shot through the chest at Medicine Bow, Wyo.

Bossert Company Gets Contract For Bridge Pavement

The Bossert Coal Co., holders of the contract for the city's paving program, have been awarded the paving job on the new bridge, F. F. Mengel, division highway engineer, announced today. The bridge will be paved with brick on a concrete base, according to the same specifications to be used in the brick paving for the city, and will be done at the price at which the city paving contract was awarded.

No provision for the paving was included in the contract for the bridge when it was awarded to the Meyers Construction Co., and the understanding at the time was that that part of the work would be done independently. The Meyers company has practically completed its work here now, and according to reports was not desirous of taking on the paving contract.

Will Begin in July

On account of lack of material the Bossert company does not expect to begin operations on the bridge for several weeks, certainly not until after the Fourth of July. Included in the bridge paving job will be the approaches on both ends. It is planned now to raise the level of Vine street between the bridge and Second street slightly, in order to make the ascent to the bridge less abrupt, and that section of the street will also be widened about eighteen inches by cutting away a portion of the sidewalk on the south side of the street.

Sun Ignites Fireworks In Point Store Window

Stevens Point—The morning sun, shining brightly through the plate glass window in Gunderson's Variety store at 1017 South Division street, ignited fireworks on display there and caused a premature and unexpected Fourth of July demonstration at 8 a. m. yesterday.

The first piece of fireworks to become ignited quickly set fire to other pieces in the window, causing a series of miniature explosions in quick succession. The large plate glass window was cracked and broken at the bottom, while glass in the rear of the display window was also shattered.

Ill Health Causes Father Fricker To Give Up Duties

Rev. Linus Fricker, assistant at SS. Peter and Paul Church left Friday for Scranton, Pa., where he will say with his uncle, Rev. F. A. Fricker. Continued poor health obliged him to take a prolonged rest. Rev. Michael Kelnhofer, who was born and grew up at Sherry, this county, has been appointed to succeed him. Father M. Kelnhofer studied at St. Francis Seminary, Milwaukee, and was ordained June 11th. He arrived this afternoon to take up his work at SS. Peter & Paul Church.

Miss Dorothy Waldvogel, who is attending the summer session of the state normal at Stevens Point, arrived Friday evening to spend the week end at her home in this city.

PLACE MINE RIOT COST AT MILLION; COMPANY WILL SUE

SOUTHERN ILLINOIS COAL COMPANY PLANS ACTION AGAINST MINE UNION AND WILLIAMSON COUNTY

(By Associated Press.)

Chicago, Ill., June 24—Estimates of the amount of property damage, and the efforts to fix the value of human lives lost in the mine riots and massacres of "Bloody" Williamson county, were under way today in preparation for the damage suits which the Southern Illinois Coal Company announced will be filed against the International Union of the United Mine Workers, and the county.

Total Over Million

Suits will aggregate more than $1,000,000 according to Tollett W. Buhl, counsel for William J. Lester, president of the company. With reports of abandonment of closed mines by the pumpers and other help left to protect the shut down property during the coal strike, amounts of property damaged remained uncertain until it could be ascertained how far the flood damage to abandoned mines would run.

Suits will be filed not only for the company but in behalf of the families of its employes slain by the maddened mob of strikers and sympathizers.

Cases in federal court will probably be started at Indianapolis where headquarters of the United Mine Workers are located and additional suits at Marion, Ill., the county seat of Williamson county, Mr. Buhl said.

May Include Lewis

Action against the miners union may include a suit against John L. Lewis, international president of the organization, whose message characterizing the Southern Illinois Coal Company imported workers as "common strike breakers" is said to have inflamed the strikers to riot and murder.

The first steps in the contemplated suits will be based on reports from the scene of the massacre by Arthur S. Lytton, law partner of Mr. Buhl.

Cloudy To Generally Fair Weather Sunday

Weather predicitons, according to Geo. T. Nixon are: mostly cloudy to generally fair weather for tonight and Sunday; cooler.

Temperatures yesterday were 92 and 67. At 12:30 today the temperature was 84. There were five places in U. S. yesterday where it was over 100 degrees, they being Valentine, Nebr., 102; Pierre, S. Dak., 100; Phoenix, Ariz., 106; and N. Platta, Nebr., 100, and 106 at Yuma, Ariz. The coldest place in the United States yesterday was 36 at Yellowstone Park, Wyoming.

Mostly fair weather will prevail throughout this district for next day or two although conditions will become unsettled northwest of us. There is hardly a prospect of a break in the drought in this immediate vicinity, Mr. Nixon states.

Hold Cities Control State Trunk Highways In Limits

Madison, Wis., June 24—Municipalities and not the state or counties have control over state trunk highways within the limits of cities, F. E. Bump, assistant attorney general advised the highway commision today.

He said that neither the state nor the counties could prescribe the kind of silent policemen that are used on highways running through cities. Any liability incurred should it be proved that the silent policemen were the cause of an accident would be against the municipality. County or state commissions have no authority over the use of state trunk highways except outside city limits.

Buys O. R. Roenius Home

The O. R. Roenius residence at 221 Fifth Street South, has been purchased by C. D. Searles, who will take possession as soon as the new Roenius home, now under construction, is ready for occupancy. The consideration is reported to have been $8,000.

Mrs. D. D. Conway, 753 Third St. S., returned Friday afternoon from a visit with friends in Madison.

Name Committees For Legion Census Of Ex-Service Men

Committees to handle the American Legion census of former service men, to be taken in the Wisconsin Rapids district next week, were announced today for all divisions except the first ward and the village of Biron by Comander H. W. Goggins. Two men will have charge of the work in each ward or village and will select their own assistants to aid in the actual canvassing. Following are the committees:

First ward, to be appointed; second ward, A. Timmerman and Oscar Lynn; third ward, Earl Hill and Von Holliday; fourth ward, Guy Nash and George Millard; fifth ward, Elmer Christensen and Frank Malolepky; sixth ward, Chester Severance and Delbert Trudell; seventh ward, Fred Ragan and Phil Eron; eighth ward, George Houston and Don Johnson; Port Edwards, Jerome Farrar and Al Lutjeans; Nekoosa, M. LaCrey and Valentine Siewert.

Help Clean Up Claims

The principal purpose of the census, as already announced, is to secure data for historical record in regard to this district's part in the great war. It is also expected by legion officials, however, that the information to be obtained through the questionaires that will be distributed will be of material value in aiding the legion to help service men to clean up claims against the government.

In connection wtih the census, all service men will also be invited to become members of the American Legion. Charles Hagerstrom Post No. 1 now has 130 regularly enrolled members and it is the hope of the officers to boost this over the 200 mark before July 1.

William Allen White Gives Endorsement To Park Drive

Milwaukee, Wis.—William Allen White, editor of the Emporia Kansas Gazette, friend of the late Theodore Roosevelt in a letter to the Wisconsin Lakes and Parks association endorsed heartily the campaign which is being made throughout the state for the purchase of the Northern Lakes Park for state park purposes.

He said in part as follows:

"I'm right with you in your campaign to "Save a Bit of Old Wisconsin."

"The Wisconsin that I know and admire is too big to let such a beauty spot be sold to the lumber companies to be made into porch swings and ironing boards. Ironing boards are an evil we can't dispense with, I suppose, btu one needn't despoil the prettiest spot in Wisconsin to get 'em. It is even more essential that the people save this charming spot of old Wisconsin for themselves and their posterity."

GREEN BAY AND KEWAUNEE MEN ARE SENTENCED

RAYMOND RAUCH AND FRED RAHR FOUND GUILTY OF VIOLATIONS; KEEN COMPETITION IS EXCUSE

(By Associated Press)

Milwaukee, Wis., June 24—Raymond Rauch, Kewaunee brewer, was sentenced to eleven months in the house of correction and Fred A. Rahr, president of the Rahr Brewing Company, Green Bay, to eight months, in federal court today on a charge of manufacturing beer of illegal strength.

In addition, Mr. Rahr was fined $7,600 and the Rahr Brewing Company was fined $15,000. Each obtained liberty for ten days on bonds of $5,000 to permit them to arrange their business affairs.

Fined on 38 Counts

Mr. Rauch who had been indicted on 18 accounts, was fined $200 on each of the first 38. This was the minimum sentence for a second offence of which Mr. Rauch was guilty. On the counts numbered between 39 and 42 he was sentenced to six months in the house of correction and on the 43rd count to eleven months, but the sentences were made concurrent.

The Rahr Brewing Company which, with Mr. Rahr had been indicted on 50 counts, was sentenced to a fine of $300 on each count. On the 49th count Mr. Rahr was sentenced to four months in the house of correction and on the 50th to eight months, but the sentences were made concurrent.

William O. Meilahn, assistant United States district attorney, said a laboratory test of the beer manufactured by Mr. Rauch was 1.80 to 2.91 percent.

Mr. Meilahn said the Rahr Brewing Company's beer had an alcoholic content of from 1.28 to 2.55 percent.

Must Meet Competition

Attorney Ralph Jackman, Madison, representing the company and Mr. Rahr said that the company sold the beer for the same price as near beer and never represented it to be anything but near beer. He said the company was driven to manufacture beer of illegal strength because of keen competition in that section. The brewery has been closed, Mr. Jackman said.

Claim Fox River Flood Washed Liquor On Property

Green Bay, Wis.—"Drifting moonshine" may be the alibi in the trial of Jake and Alphonse Vandehel, father and son residing in the town of De Pere a few miles from here, who were arrested and are awaiting trial for violation of the Volstead act.

According to Thomas Martin, federal prohibition enforcement officer, a raid on the Vandehel home resulted in the seizure of 50 gallons of liquor. When faced with the charge of "moonshining the defendants denied the charge declaring that the presence of the liquor was unknown to them. They stoutly maintained that the liquor found was washed in by the recent floods in the Fox River valley. No still or other incriminating evidence was found on the propeirty.

The preliminary hearing is set for June 28.

Northwestern Installs Parlor Car Service

A Heger, agent for the Chicago and Northwestern in this city, announced Saturday morning that their lines would install parlor car services on the morning and evening trains plying between Marshfield and Chicago. This move is one that has long been advocated by local travelers and will be welcomed by them.

Richard Akey, an employe of the C. M. & St. P. Ry. Co., will spend Sunday at his home in Merrill.

Representation from practically every county of the state is looked for at the convention. Some opinion is expressed that the large Milwaukee delegation may have control of the meeting and be able to carry through their platform plans.

Arraign Sigel Man On Abusive Language Charge

Wm. Winch of the town of Sigel was arraigned before Judge W. H. Getts yesterday on a charge of assault and abusive and obscene language made on complaint of W. V. Cepress. The case was adjourned until June 30.

Miss Helen Brockman, 505 Saratoga Street, returned Friday from a visit with relatives in Rudolph.

Captured

Fred Brown, alias Gus Grimes, charged with chaining two women and a man in a shack at Omaha, Neb., capturing a deputy sheriff and town marshal at Sidney, Neb., and creating terror in other towns, lies in a prison ward at Rawlins, Wyo. He was shot through the chest at Medicine Bow, Wyo.

Bossert Company Gets Contract For Bridge Pavement

The Bossert Coal Co., holders of the contract for the city's paving program, have been awarded the paving job on the new bridge, F. F. Mengel, division highway engineer, announced today. The bridge will be paved with brick on a concrete base, according to the same specifications to be used in the brick paving for the city, and will be done at the price at which the city paving contract was awarded.

No provision for the paving was included in the contract for the bridge when it was awarded to the Meyers Construction Co., and the understanding at the time was that that part of the work would be done independently. The Meyers company has practically completed its work here now, and according to reports was not desirous of taking on the paving contract.

Will Begin in July

On account of lack of material the Bossert company does not expect to begin operations on the bridge for several weeks, certainly not until after the Fourth of July. Included in the bridge paving job will be the approaches on both ends. It is planned now to raise the level of Vine street between the bridge and Second street slightly, in order to make the ascent to the bridge less abrupt, and that section of the street will also be widened about eighteen inches by cutting away a portion of the sidewalk on the south side of the street.

Sun Ignites Fireworks In Point Store Window

Stevens Point—The morning sun, shining brightly through the plate glass window in Gunderson's Variety store at 1017 South Division street, ignited fireworks on display there and caused a premature and unexpected Fourth of July demonstration at 8 a. m. yesterday.

The first piece of fireworks to become ignited quickly set fire to other pieces in the window, causing a series of miniature explosions in quick succession. The large plate glass window was cracked and broken at the bottom, while glass in the rear of the display window was also shattered.

Ill Health Causes Father Fricker To Give Up Duties

Rev. Linus Fricker, assistant at SS. Peter and Paul Church left Friday for Scranton, Pa., where he will say with his uncle, Rev. F. A. Fricker. Continued poor health obliged him to take a prolonged rest. Rev. Michael Kelnhofer, who was born and grew up at Sherry, this county, has been appointed to succeed him. Father M. Kelnhofer studied at St. Francis Seminary, Milwaukee, and was ordained June 11th. He arrived this afternoon to take up his work at SS. Peter & Paul Church.

Miss Dorothy Waldvogel, who is attending the summer session of the state normal at Stevens Point, arrived Friday evening to spend the week end at her home in this city.

PLACE MINE RIOT COST AT MILLION; COMPANY WILL SUE

SOUTHERN ILLINOIS COAL COMPANY PLANS ACTION AGAINST MINE UNION AND WILLIAMSON COUNTY

(By Associated Press.)

Chicago, Ill., June 24—Estimates of the amount of property damage, and the efforts to fix the value of human lives lost in the mine riots and massacres of "Bloody" Williamson county, were under way today in preparation for the damage suits which the Southern Illinois Coal Company announced will be filed against the International Union of the United Mine Workers and the county.

Total Over Million

Suits will aggregate more than $1,000,000 according to Tollett W. Buhl, counsel for William J. Lester, president of the company. With reports of abandonment of closed mines by the pumpers and other help left to protect the shut down property during the coal strike, amounts of property damaged remained uncertain until it could be ascertained how far the flood damage to abandoned mines would run.

Suits will be filed not only for the company but in behalf of the families of its employes slain by the maddened mob of strikers and sympathizers.

Cases in federal court will probably be started at Indianapolis where headquarters of the United Mine Workers are located and additional suits at Marion, Ill., the county seat of Williamson county, Mr. Buhl said.

May Include Lewis

Action against the miners union may include a suit against John L. Lewis, international president of the organization, whose message characterizing the Southern Illinois Coal Company imported workers as "common strike breakers" is said to have inflamed the strikers to riot and murder.

The first steps in the contemplated suits will be based on reports from the scene of the massacre by Arthur S. Lytton, law partner of Mr. Buhl.

Cloudy To Generally Fair Weather Sunday

Weather predicitons, according to Geo. T. Nixon are: mostly cloudy to generally fair weather for tonight and Sunday; cooler.

Temperatures yesterday were 92 and 67. At 12:30 today the temperature was 84. There were five places in U. S. yesterday where it was over 100 degrees, they being Valentine, Nebr., 102; Pierre, S. Dak., 100; Phoenix, Ariz., 106; and N. Platta, Nebr., 100, and 106 at Yuma, Ariz. The coldest place in the United States yesterday was 36 at Yellowstone Park, Wyoming.

Mostly fair weather will prevail throughout this district for next day or two although conditions will become unsettled northwest of us. There is hardly a prospect of a break in the drought in this immediate vicinity, Mr. Nixon states.

Hold Cities Control State Trunk Highways In Limits

Madison, Wis., June 24—Municipalities and not the state or counties have control over state trunk highways within the limits of cities, F. E. Bump, assistant attorney general advised the highway commision today.

He said that neither the state nor the counties could prescribe the kind of silent policemen that are used on highways running through cities. Any liability incurred should it be proved that the silent policemen were the cause of an accident would be against the municipality. County or state commissions have no authority over the use of state trunk highways except outside city limits.

Buys O. R. Roenius Home

The O/R. Roenius residence at 221 Fifth Street South, has been purchased by C. D. Searles, who will take possession as soon as the new Roenius home, now under construction, is ready for occupancy. The consideration is reported to have been $8,000.

Mrs. D. D. Conway, 753 Third St. S., returned Friday afternoon from a visit with friends in Madison.

Name Committees For Legion Census Of Ex-Service Men

Committees to handle the American Legion census of former service men, to be taken in the Wisconsin Rapids district next week, were announced today for all divisions except the first ward and the village of Biron by Comander H. W. Goggins. Two men will have charge of the work in each ward or village and will select their own assistants to aid in the actual canvassing. Following are the committees:

First ward, to be appointed; second ward, A. Timmerman and Oscar Lynn; third ward, Earl Hill and Von Holliday; fourth ward, Guy Nash and George Millard; fifth ward, Elmer Christensen and Frank Malolepsky; sixth ward, Chester Severance and Elbert Trudell; seventh ward, Fred Ragan and Phil Eron; eighth ward, George Houston and Don Johnson; Port Edwards, Jerome Farrar and Al Lutjeans; Nekoosa, M. L. aCrey and Valentine Siewert.

Help Clean Up Claims

The principal purpose of the census, as already announced is to secure data for historical record in regard to this district's part in the great war. It is also expected by legion officials, however, that the information to be obtained through the questionaires that will be distributed will be of material value in aiding the legion to help service men to clean up claims against the government.

In connection with the census, all service men will also be invited to become members of the American Legion. Charles Hagerstrom Post No. 0 now has 130 regularly enrolled members and it is the hope of the officers to boost this over the 200 mark before July 1.

William Allen White Gives Endorsement To Park Drive

Milwaukee, Wis.—William Allen White, editor of the Emporia Kansas Gazette, friend of the late Theodore Roosevelt in a letter to the Wisconsin Lakes and Parks association endorsed heartily the campaign which is being made throughout the state for the purchase of the Northern Lakes Park for state park purposes.

He said in part as follows:

"I'm right with you in your campaign to "Save a Bit of Old Wisconsin."

"The Wisconsin that I know and admire is too big to let such a beauty spot be sold to the lumber companies to be made into porch swings and ironing boards. Ironing boards are an evil we can't dispense with, I suppose, but one needn't despoil the prettiest spot in Wisconsin to get 'em. It is even more essential that the people save this charming spot of old Wisconsin for themselves and their posterity."

Four Irish Army Men Die In Attempted Ambush

(By Associated Press.)

Belfast, Ireland, June 24—Four Irish republic army men were killed and severla wounded at Cushendall in South Ireland, County Antrim itary and special Ulster constables. The crown forces suffered no casualties.

While passing through the main street of the village at Cushendall, the crown forces were attacked by a large body of republican soldiers who held positions on high ground commanding the riot. The crown forces left their home course and a running fight ensued.

Decision In Small Fraud Trial May Come Tonight

(By Associated Press.)

Waukegan, Ill., June 24—Governor Len Small, charged with conspiracy to defraud the state of interest on public funds, may know his fate before night fall.

The trial after nine weeks, was expected to go to the jury this afternoon. C. Fred Mortimer, states attorney for Sangamon county where indictments were brought, completed his closing address this morning. Starting at ten o'clock Mr. Mortimer spoke about an hour.

Tokio, June 24—Japan will evacuate Siberia by October 30 next, it was learned today.

GREEN BAY AND KEWAUNEE MEN ARE SENTENCED

RAYMOND RAUCH AND FRED RAHR FOUND GUILTY OF VIOLATIONS; KEEN COMPETITION IS EXCUSE

(By Associated Press)

Milwaukee, Wis., June 24—Raymond Rauch, Kewaunee brewer, was sentenced to eleven months in the house of correction and Fred A. Rahr, president of the Rahr Brewing Company, Green Bay, to eight months, in federal court today on a charge of manufacturing beer of illegal strength.

In addition, Mr. Rahr was fined $7,600 and the Rahr Brewing Company was fined $15,000. Each obtained liberty for ten days on bonds of $5,000 to permit them to arrange their business affairs.

Fined on 38 Counts

Mr. Rauch who had been indicted on 43 accounts, was fined $200 on each of the first 38. This was the minimum sentence for a second offence of which Mr. Rauch was guilty. On the counts numbered between 39 and 42 he was sentenced to six months in the house of correction and on the 43rd count to eleven months, but the sentences were made concurrent.

The Rahr Brewing Company which, with Mr. Rahr had been indicted on 50 counts, was sentenced to a fine of $300 on each count. On the 49th count Mr. Rahr was sentenced to four months in the house of correction and on the 50th to eight months, but the sentences were made concurrent.

William O. Meilahn, assistant United States district attorney, said a laboratory test of the beer manufactured by Mr. Rauch was 1.80 to 2.91 percent.

Mr. Meilahn said the Rahr Brewing Company's beer had an alcoholic content of from 1.28 to 2.55 percent.

Must Meet Competition

Attorney Ralph Jackman, Madison, representing the company and Mr. Rahr said that the company sold the beer for the same price as near beer and never represented it to be anything but near beer. He said the company was driven to manufacture beer of illegal strength because of keen competition in that section. The brewery has been closed, Mr. Jackman said.

Claim Fox River Flood Washed Liquor On Property

Green Bay, Wis.—"Drifting moonshine" may be the alibi in the trial of Jake and Alphonse Vandehel, father and son residing in the town of De Pere a few miles from here, who were arrested and are awaiting trial for violation of the Volstead act.

According to Thomas Martin, federal prohibition enforcement officer, a raid on the Vandehel home resulted in the seizure of 50 gallons of liquor. When faced with the charge of "moonshining the defendants denied the charge declaring that the presence of the liquor was unknown to them. They stoutly maintained that the liquor found was washed in by the recent floods in the Fox River valley. No still or other incriminating evidence was found on the property.

The preliminary hearing is set for June 28.

Northwestern Installs Parlor Car Service

A Heger, agent for the Chicago and Northwestern in this city, announced Saturday morning that their lines would install parlor car services on the morning and evening trains plying between Marshfield and Chicago. This move is one that has long been advocated by local travelers and will be welcomed by them.

Richard Akey, an employe of the C. M. & St. P. Ry. Co., will spend Sunday at his home in Merrill.

MR. TAFT ABROAD

England which is now entertaining Chief Justice William H. Taft, will find our former president a most pleasant guest. A noteworthy array of the most distinguished men in the kingdom attended the dinner given by the Pilgrim's Society in his honor and heard him discuss governmental affairs with that rare combination of wisdom and good humor which never fails to win his audiences, no matter what their nationality. The man who can smile as jovially as Mr. Taft always smiles when he thinks of the overwhelming defeat he suffered at the polls in 1912 has something to teach to all of us.

He was the butt of several of his own jokes in his London speech. One concerned his avoirdupois and the other reminded his hearers that he "retired from the presidency with the full and unmistakable consent of the people of the United States." The majority against him in 1912 was unmistakable indeed, but no more unmistakable than the high honor in which he is now held by the same public that then gave him his dismissal. England knows this to be the case; hence the elaborate honors which are to be shown him during his stay in that country, whose courts and law procedure he wishes to study.

Who's Who In Wisconsin Rapids

The Who's Who column will be run each Saturday in the Wisconsin Rapids Daily Tribune. It will include a brief sketch of the life of citizens who have helped make history for Wisconsin Rapids.

James Edward Brazeau

JAMES EDWARD BRAZEAUS

One of the leading citizens of the village of Nekoosa is James Edward Brazeau, son of Mr. and Mrs. Stephen Brazeau, who were early residents of Grand Rapids. He was born May 13, 1870, in Wisconsin Rapids, where he ceived his education, graduating with the Howe High school class of 1886. B. R. Goggins, prominent local attorney, was principal of the school at the time.

At the age of thirteen Mr. Brazeau began working after school hours in his father's barber shop, which was located in the small woden building north of the Hotel Witter recently vacated by the Wisconsin Supply Co After eighteen months service with father, he entered the employ of J W. Freeman in his grocery store in the building directly south of his father's shop. The Freeman store was then the only grocery store in the town.

After leaving the Freeman employ, Mr. Brazeau left for Chicago where he remained a year and was employed at odd jobs. On this return here he again assisted his father in the barber shop for one year, between the years of 1888 and 1889.

Formed Partnership

In the fall of 1889 he left for Port Edwards where he was employed as clerk in the Brazeau Bros. General Store which was owned and operated by his two brothers, George and William. George, the eldest is now a retired ranchman living in Buhl, Idaho. The younger, William, is at present sales manager for the Inland Paper Company at Spokane, Wash. Mr. Brazeau remained in the employ of his brothers until April, 1901 when he changed his location to Nekoosa to become associated with his brother Frank, now postmaster of Port Edwards, and his brother William. The three formed a copartnership known as the Brazeau Mercantile Co.

Edward later bought his brother's interests and became the sole owner and proprietor. Although his personal business interests demand the greater share of his attention, Mr. Brazeau has found time to devote in helping in the advancement and improvement of the beautiful little village down river. He served as president of the village of Nekoosa during the year 1905

Active In Civic Affairs

He is a charter member of the wide awake and hustling Chamber of Commerce of the village. He was one of the most active members in the building of the swimming pool and the tourist camp which are both a great addition to Nekoosa.

He served for three years on the school board and the new Alexander High School shows the educational advancements which have been made in Nekoosa with its corps of efficient teachers. Mr Brazeau is a stockholder and a member of the Board of Directors of the Nekoosa State Bank.

He is a member of the Masonic Order and the order of the Eastern Star. He also belongs to the I. O. O. F., the B. P. O. E. and the W. O. W.

On March 26, 1893, Mr. Brazeau was united in marriage to Kathryn Young, daughter of Mr. and Mrs. Samuel Young of Grand Rapids. Mr. Brazeau's father at the time was county clerk of Wood county. Mrs. Brazeau died October 5, 1914. Two children were born to them, the eldest, a son, Stanton who has just been graduated from the state university at Champaign, Ill. The youngest is a daughter, Bernice, eight and a half years of age.

On November 2, 1919, Mr. Brazeau again married, his bride being Miss Anna Roth of Chicago, Ill.

Besides his three brothers, Frank, George and William, already mentioned, he has one other brother, Attorney Theo. W. Brazeau, of Wisconsin Rapids, who has a well earned reputation of being one of the ablest lawyers in the state of Wisconsin. Mr. Brazeau has three sisters, Mrs. Helen Quin, Mrs. J. J. Canning of Wisconsin Rapids and Mrs. George Zenier of Asotin, Wash.

THEATRES

"AT THE STAGE DOOR"
THEME HITS HOME

Mingling entertainment of the most engrossing nature with a lesson of tremendous moral value, "At the Stage Door," William Christy Cabanne's most recent production for R-C Pictures, is making thousands of new admirers for this brilliant young director, wherever it is shown. "At the Stage Door," is the current attraction at the Palace Theater, where it will hold forth for two days, Sunday and Monday.

As usual, Mr. Cabanne has taken a theme that strikes home with a wallop; a theme that gets right into the hearts of all beholders and makes them thrill with the joy of living. Not only did he direct the picture but he wrote the story as well, which amounts to a guarantee that it will be entertaining.

The story has to do with the adventures of a country-bred girl who comes to the city after her pretty and younger sister wins the older girl's fiance. She obtains a position in the chorus and is subjected to all manners of temptation. Life swirls about her in a mad rush and she is almost engulfed, but Fate carries her through in triumph. Mr. Cabanne, with the hand of a master director, has invested "At the Stage Door" with plenty of delightful thrills, rare humor and a homely philosophy that is bound to get under the skin of all those who see it.

A fine cast was assembled by Mr. Cabanne, including Billie Dove, who plays the role of Mary Matthews, the girl. Miss Dove is appearing at present in "Sally" the great Ziegfeld musical comedy hit, and was for a number of years a prominent member of the Ziegfeld Follies. Others in the cast are Elizabeth North, who appears in the Greenwich Village Follies; Miriam Batista, who shone in "Humoresque"; Frances Hess, Margaret Foster, Willie Collier, Jr., C. Elliott Griffin, Myrtle Maughan, Charles Craig, Viva Ogden, Billy Quirk, Huntly Gordon, Doris Eaton, and others.

It is Always Summer for a Buick Motor

The Buick Motor is constant in power, in acceleration and smoothness because its carburetor automatic heat control functions equally well in summer or winter, under every motoring condition. All the heat required for the proper vaporization of present day low-grade fuels is supplied automatically as the throttle is opened and closed.

The carburetor automatic heat control is just one more of the exclusive features that make the Buick owner dissatisfied with anything but a Buick.

VANDENVEER-ROWLAND

A very pretty wedding was solemnized Wednesday morning, June twenty-first at eight o'clock at the home of Mr. and Mrs. R. N. Vandenveer, of Albion, Michigan, when their daughter Grace May, was united in marriage to Delbert G. Rowland, son of Mr. and Mrs. Robert G. Rowland of Wisconsin Rapids. The wedding service was read by the Rev. Clapp, the ring service being used. The bridal couple entered the living room to the strains of a wedding march, played by Mrs. F. P. O'Connor, sister of the bride. The bride's niece little Grace Mollie, was ringbearer, carrying the wedding ring concealed in the heart of a large white rose. The bride wore a wedding gown of cream embroidered georgette and carried an arm bouquet of ophelia roses and swansonia. The house and tables were beautifully decorated with June roses and ferns. Immediately following the ceremony a wedding breakfast was served to a number of immediate relatives and intimate friends. The bride has visited Wisconsin Rapids on numerous occasions, where she has made many friends who will gladly welcome her to the city. She was formerly employed at New London as bookkeeper for J. E. Christy and Co. The groom was born and educated in Wisconsin Rapids. Both he and his bride are former students of Lawrence College of Appleton. He is a Phi Kappa Alpha fraternity man and Mrs. Rowland is a memebr of Alpha Delta Pi Sorority.

Mr. and Mrs. Rowland left by auto Wednesday afternoon for Wisconsin Rapids and will make their home in Biron, where Mr. Rowland is in charge of the cost accounting department of the Biron division of the Consolidated Water Power & Paper Co. Out of town guests attending the wedding were Mr. and Mrs. Robert G. Rowland of Wisconsin Rapids nd Mr. and Mrs. D. N. Vandenveer of New London.

Fewer Saloons In State Next Year Officers Believe

Madison, Wis. — Fewer saloons will be licensed to do business during the next prohibition year in Wisconsin, commencing July 1, W. Stanley Smith, prohibition commissioner believes, judging from reports by local authorities.

Hundreds of proprietors of soft drink parlors who have been arrested for violation of the liquor law, must be refused licenses when city councils meet to issue permits for the coming year, according to requirements of the Severson enforcement statute.

Police officers in certain cities are said by Mr. Smith to be recommending soft drink parlors for licenses who have observed the law during the past year. The number of permits granted in places where councils have met to re-license saloons is materially reduced in each instance, according to reports received here.

Test Severson

The validity of the licensing and visions of the Severson law are now before the Supreme court for review. Request has been made that the court give its decision before July 1, if possible, so that local authorities and the state commissioner may be sure of their rights in enforcing this section of the statutes.

Should the supreme court affirm the decision of Judge E. Ray Stevens of the Dane county circuit court holding the licensing and bar removal provision of the state law constitutional, the Severson enforcement statute will enter its second year with its main features tested by the high tribunal.

Home Rule Vote May Be Prevented By Clerk's Error

Madison, Wis.—The Wisconsin Supreme court is now considering whether an error of the enrolling clerk during the 1919 session of the legislature, will prevent voters of the state from expressing their attitudes on the question of an amendment to the constitution to provide home rule for cities and villages.

An action has just been brought in the name of A. A. Bently, mayor of La Crosse, asking for a writ of mandamus to require Elmer S. Hall, secretary of state, to place the proposed constitutional amendment on the ballot for the November general election primaries.

Mean Postponement

Should the court refuse to grant the writ, vote of the people on the proposal for home rule would be held up until sanction to the suggested amendment had been given by the 1923 legislature. Issuance of the writ would settle a question that for 20 years has been before the lawmakers of Wisconsin.

Attorneys for the plaintiff argued before the court that the error of the enrolling clerk in certifying the original proposal for the constitutional amendment, instead of the resolution as amended, and the publication of the wrong act did not invalidate the action of the legislature.

The state contends that the error resulting in publication of the wrong act, has caused a failure to comply with one of the steps required to amend the constitution, and that as a result further legislative action must be taken before the question is submitted to the people for a vote.

CREATE AN ESTATE

Thru Life Insurance

The moment you take out a life insurance policy, you automatically create an estate of $1,000, $2,000, $5,000 or more, to the amount of your policy. The amount becomes payable to your dependents at a time when you are no longer able to protect them in a financial way, or to yourself, in case you become disabled through accident or disease. Saving, over a portion of years will also create an estate, but only at the end of that period, not AT THE BEGINNING. Investigate no wand find how easily you can create YOUR estate to protect your family and yourself.

New York Life Insurance Company

Protects

Your Family

2. By a lump sum, or
b. By an annual income.

Yourself

a. By forcing you to save money.
b. By freeing you from anxiety.

You and Your Family

By providing an income for life, if you become totally and permanently disabled.

Your Estate

By providing funds for Federal Estate Taxes, State Inheritance Taxes, and ready money to protect your business interests.

Against

Premature Death

Of those living at age 25 over half die before age 68. And they begin to die right away. The risk is borne by every woman whose husband is inadequately insured.

Loss of Earning Power

In the event of total and permanent disability 1% of the face of the policy is payable monthly AND the insurance continues without further payment of premium.

Accidental Death

Double the face of the policy is paid in case of accidental death, as provided in the policy contract. There were about 1,200 deaths from automobile accidents in New York State in 1921.

Fewer Saloons In State Next Year Officers Believe

Madison, Wis. — Fewer saloons will be licensed to do business during the next prohibition year in Wisconsin, commencing July 1, W. Stanley Smith, prohibition commissioner believes, judging from reports by local authorities.

Hundreds of proprietors of soft drink parlors who have been arrested for violation of the liquor law, must be refused licenses when city councils meet to issue permits for the coming year, according to requirements of the Severson enforcement statute.

Police officers in certain cities are said by Mr. Smith to be recommending soft drink parlors for licenses who have observed the law during the past year. The number of permits granted in places where councils have met to re-license saloons is materially reduced in each instance, according to reports received here.

Test Severson

The validity of the licensing and visions of the Severson law are now before the Supreme court for review. Request has been made that the court give its decision before July 1, if possible, so that local authorities and the state commissioner may be sure of their rights in enforcing this section of the statutes.

Should the supreme court affirm the decision of Judge E. Ray Stevens of the Dane county circuit court holding the licensing and bar removal provision of the state law constitutional, the Severson enforcement statute will enter its second year with its main features tested by the high tribunal.

Home Rule Vote May Be Prevented By Clerk's Error

Madison, Wis.—The Wisconsin Supreme court is now considering whether an error of the enrolling clerk during the 1919 session of the legislature, will prevent voters of the state from expressing their attitudes on the question of an amendment to the constitution to provide home rule for cities and villages.

An action has just been brought in the name of A. A. Bently, mayor of La Crosse, asking for a writ of mandamus to require Elmer S. Hall, secretary of state, to place the proposed constitutional amendment on the ballot for the November general election primaries.

Mean Postponement

Should the court refuse to grant the writ, vote of the people on the proposal for home rule would be held up until sanction to the suggester amendment had been given by the 1923 legislature. Issuance of the writ would settle a question that for 20 years has been before the lawmakers of Wisconsin.

Attorneys for the plaintiff argued before the court that the error of the enrolling clerk in certifying the original proposal for the constitutional amendment, instead of the resolution as amended, and the publication of the wrong act did not invalidate the action of the legislature.

The state contends that the error resulting in publication of the wrong act, has caused a failure to comply with one of the steps required to amend the constitution, and that as a result further legislative action must be taken before the question is submitted to the people for a vote.

BIG CHIEF LEROY, SPITBALL ARTIST, SIGNS WITH LOCALS

EX-LEAGUER AGREES TO SHOW HIS WARES TO LOCAL FANS; ALWAYS HAS BEEN REGARDED AS PITCHER OF GREAT CLASS

Baseball food for the fans is coming in fast, but with the signing up of Chief Leroy, ex-spitball artist of the St. Paul American Association baseball team, fans believe that nothing short of a Sahara sandstorm will be able to stop the locals whenever they cross bats with another organization. The Chief was always a great flinger, but when the spitball was barred in the American Association he decided to seek his release and has since been pitching winning ball in the Dakotas. Owing to illness in his family he came back to his home in Wisconsin and was offered several pitching assignments throughout the state, finally signing up with the Tri-Cities.

Brady in Demand

Baseball officials are worried over the prospect of losing Brady who is in great demand throughout the state. The management has gone to considerable expense in banding the present agregation together and it will only be with good financial support that they will be able to keep the present lineup. Baseball clubs from all parts of Wisconsin are seeking games with Wisconsin Rapids and no less than four cities have requested the local team as the feature attraction on their Fourth of July programs. La-Crosse, Merrill, Marion and various other clubs would like to hook up with the locals to settle the supremacy question in this part of the state and it is expected, providing that the right kind of financial support is given, that some of the fastest teams in the state will be brought here for games.

Show Pep in Workouts

In the workouts this week the Tri-Cities have shown more pep and zip than a Stutz Bearcat and it is assurred that every run obtained by the opposition will be of the earned run type. With a lightning fast infield opposing base runners will have to be on their toes every minute to avoid a double killing. The outfield with "Feeny" Fahrner, "Shorty" Brennan and "Len" Leftoux needs no introduction as they have always been the class of gardeners. All are natural 300 hitters and as for their fielding ability the old saying "knock it to the outfield and it is in a well" still holds good.

Manawa Expects to Win

Sunday's game is expected to be a hot one for Roman is determined to win the game singlehanded if by no other way. He believes that the local management made a blunder in letting him go and he is out to prove his contentions by trimming the locals in their own back yard. The remainder of the Manawa lineup contains players of well known ability throughout the eastern part of the state and all express confidence that they will be on the winning end of the score.

Hagen Takes British Open Title From Jock Hutchinson

THREE AMERICAN ENTRIES LAND IN FIRST FOUR PLACES; HUTCHINSON PUTS UP GAME BATTLE

Sandwich—America stood virtually one, two, three in the British open golf championship, decided here on Friday. Walter Hagen of Detroit won the championship with an aggregate score of 300. Jim Barnes of Pelham was tied with George Duncan of Great Britain for second with 301, and Jock Hutchison of Chicago, who held the title for 1921, came next, with 302.

The other leading scores in order were:

C. A. Whitcombe, 303; C. H. Taylor, 304; Jean Gassiat, France, 306; Tom Walton and Harry Vardon, 307; Percy Alliss, 308; Charles Johns, 309; F. G. L. Holland, F. C. Jewett, E. R. Whitcombe, A. Havers and George Gadd, 310.

Made Game Fight

Hutchison made a game struggle to retain the championship. In the third round he wrested the lead from Hagen with a splendid score of 73. If he could have duplicated this performance in the final round he would have saved his title, but a 75 was the best he could do.

It looked at first as if the three Americans would hold a clear title to the first three places, but the British veteran, George Duncan, coming through brilliantly in the final round, scored an aggregate of 301, bringing him into a tie with Barnes for second place.

Joe Kirkwood, Australia's brilliant player, who before the tournament was regarded as a likely winner, disappointed his followers, as did Roger Wethered, the crack amateur on whom the English amateurs pinned their hope.

ST. LOUIS STILL HOLDING LEAGUE SLUGGING HONORS

SISLER AND HORNSBY CONTINUE TO TOP BIG CIRCUITS; MYATT RESUMES ASSOCIATION LEADERSHIP

Chicago, June 24—Harry Heilmann, the great slugger of Detroit, whose batting in the last two weeks had been a big factor in the winning streak of the Tigers, promises to give George Sisler, the star of the St. Louis Browns a battle for the batting leadership of the American League.

Heilmann, a week ago, hitting .351, but according to the averages released today, he has shown a gain of thirty-one points, and is right on the heels of Tris Speaker, of Cleveland, who is the runner-up to Sisler with an average of .387. Sisler continues to top the list with a mark of .434. The averages include games of Wednesday.

Also Leads Pilferers

The St. Louis idol also is far in front among the base stealers, having stolen twenty-six. Sisler also increased his lead in runs scored to 58, his total hits to 112 and total base mark to 167.

Kenneth Williams, a teammate, increased his lead among the Kings of Swat, by smashing out three home runs and bringing his string to eighteen.

Other leading batters for forty or more games: O'Neill, Cleveland .377; Cobb, Detroit .369; Blue, Detroit .366; Witt, New York .365; Ed. Miller, Philadelphia .350; Schang, New York .350; Bassler, Detroit .337; McManus, St. Louis .333.

Hornsby On Job

Practically no changes resulted among the leading batters of the National League, within the last week. Rogers Hornsby, St. Louis premier second sacker, bagged another home run, and brought his total to 15. Besides his homers, he has cracked out sixteen doubles and three triples. His batting average is .397. B. Griffith of Brooklyn, continues to be the runner-up with an average of .383, while Hank Gowdy, the Boston catcher, is next with .375.

Max Carey, the fleet footed outfielded of the Pirates, broke the triple tie shared a week ago with Hornsby and Young of New York York for stolen bases, by pilfering three sacks. He is showing the way with 14 thefts.

Other leading batters for forty or more games: Bigbee, Pittsburg .365; T. Griffith, Brooklyn .361; Grimes, .359; Kelly, New York .357; J. Johnston, Brooklyn .353; Daubert, Cincinnati .347; S. Smith, St. Louis .339; Bancroft, New York .338.

Myatt Back On Top

As a result of connecting with thirteen hits in his last six games, Myatt of Milwaukee climbed back into the lead in the race for the batting leadership of the American Association. The averages today show him batting .408, with Brown of Indianapolis in second place with .387. Brown was seventh in the list a week ago, but he started on a batting rampage that netted him sixteen hits in seven games. The averages include games of Wednesday.

"Reb" Russell, the Minneapolis veteran is threatening the home run performance of Bunny Brief of Kansas City, who is leading the race with fourteen. Russell has crashed thirteen homers. Krueger of Indinapolis has connected with ten.

In base stealing, Haas of St. Paul continues to show his heels to his rivals with a total of 12 thefts.

Other leading batters for forty or more games: Kirke,, Louisville, .386; Lamar, Toledo, .373; Krueger, Indianapolis, 366; Hendry, St. Paul, .364; Lear, Milwaukee, .362; Becker, Kansas City, .362; Gossett, Milwaukee, .350; Haas, St. Paul, .348; Russell, Minneapolis, 346.

Professionals To Strengthen Rule Against Collegians

Columbus, O., June 24—Steps will be taken at the meeting of the American Professional Football Association, to be held in Cleveland today and tomorrow, June 24 and 25, to strengthen the rule which prohibits the use of college players on professional clubs, Joe F. Carr, president of the association, announced here today.

Among the 22 clubs affiliated with the association last year, only one violation of college player rule was reported and that club was dropped from membership Mr. Carr said. The rule which formerly only carried as a penalty expulsion from the association now provides for a $1,000 fine.

Will Name Officials

Future games of the Association, President Carr said, will be handled by officials appointed by the president, thus eliminating the former practice of officials being chosen by coaches of the contending elevens.

At the meeting applications for membership from the following cities will be acted upon: New Haven, Conn., Duluth, Minn., Sioux City, Ia., Toledo, O., Youngstown, O., Milwaukee, Wis., Green Bay, Wis., and Racine, Wis. Other business of the meeting will include adoption of a new constitution and by-laws and consideration of new rules providing for fines ranging from $25 to $1,000 for various violations and a salary limit rule.

Among cities which will be represented in the association this year are: Buffalo, Rochester, New York, Cleveland, Cincinnati, Akron, Dayton, O., Chicago, (two teams), Detroit, Evansville, Hammond, Ind., Louisville, Ky., Rock Island, Ill., and Minneapolis, Minn.

St. Lawrence Club Team Meets Swampers Tomorrow

The St. Lawrence club meets the Green Bay Swampers at Ahdawagam field tomorrow afternoon in what is billed as one of the snappiest games of the season in the local amateur league. The Swampers are reported to have signed up some new battery material from some of the other local teams in an effort to put over a win. Perling and Gouche will do the heavy work for the Lawrentians.

King George and Queen Mary have accepted invitations to be guests at dinner this evening of the American Ambassador and Mrs. Harvey.

The Grover Cleveland Association of New York today will decorate the grave of the late President in Princeton cemetery, on the 14th anniversary of his death.

Hagen Takes British Open Title From Jock Hutchinson

THREE AMERICAN ENTRIES LAND IN FIRST FOUR PLACES; HUTCHINSON PUTS UP GAME BATTLE

Sandwich—America stood virtually one, two, three in the British open golf championship, decided here on Friday, Walter Hagen of Detroit won the championship with an aggregate score of 300. Jim Barnes of Pelham was tied with George Duncan of Great Britain for second with 301, and Jock Hutchison of Chicago, who held the title for 1921, came next, with 302.

The other leading scores in order were:

C. A. Whitcombe, 303; U. H. Taylor, 304; Jean Gassiat, France, 306; Tom Walton and Harry Vardon, 307; Percy Alliss, 308; Charles Johns, 309; F. Q. L. Holland, F. C. Jewett, E. R. Whitcombe, A. Havers and George Gadd, 310.

Made Game Fight

Hutchison made a game struggle to retain the championship. In the third round he wrested the lead from Hagen with a splendid score of 73. If he could have duplicated this performance in the final round he would have saved his title, but a 75 was the best he could do.

It looked at first as if the three Americans would hold a clear title to the first three places, but the British veteran, George Duncan, coming through brilliantly in the final round, scored an aggregate of 301, bringing him into a tie with Barnes for second place.

Joe Kirkwood, Australia's brilliant player, who before the tournament was regarded as a likely winner, disappointed his followers, as did Roger Wethered, the crack amateur on whom the English amateurs pinned their hope.

ST. LOUIS STILL HOLDING LEAGUE SLUGGING HONORS

SISLER AND HORNSBY CONTINUE TO TOP BIG CIRCUITS; MYATT RESUMES ASSOCIATION LEADERSHIP

Chicago, June 24—Harry Heilmann, the great slugger of Detroit, whose batting in the last two weeks had been a big factor in the winning streak of the Tigers, promises to give George Sisler, the star of the St. Louis Browns a battle for the batting leadership of the American League.

Heilmann, a week ago, hitting .351, but according to the averages released today, he has shown a gain of thirty-one points, and is right on the heels of Tris Speaker, of Cleveland, who is the runner-up to Sisler with an average of .387. Sisler continues to top the list with a mark of .431. The averages include games of Wednesday.

Also Leads Pilferers

The St. Louis idol also is far in front among the base stealers, having stolen twenty-six. Sisler also increased his lead in runs scored to 58, his total hits to 112 and total base mark to 167.

Kenneth Williams, a teammate, increased his lead among the Kings of Swat, by smashing out three home runs and bringing his string to eighteen.

Other leading batters for forty or more games: O'Neill, Cleveland .377; Cobb, Detroit 369; Blue, Detroit .366; Witt, New York .365; Ed. Miller, Philadelphia .350; Schang, New York, 350; Bassler, Detroit .337; McManus, St. Louis .323.

Hornsby On Job

Practically no changes resulted among the leading batters of the National League, within the last week. Rogers Hornsby, St. Louis premier second sacker, bagged another home run, and brought his total to 15. Besides his homers, he has cracked out sixteen doubles and three triples. His batting average is .397. B. Grillith of Brooklyn, continues to be the runner-up with an average of .383, while Hank Gowdy, the Boston catcher, is next with .375.

Max Carey, the fleet footed outfielded of the Pirates, broke the triple tie shared a week ago with Hornsby and Young of New York York for stolen bases, by pilfering three sacks. He is showing the way with 14 thefts.

Other leading batters for forty or more games: Bigbee, Pittsburg .365; T. Grillith, Brooklyn .361; Grimes, .359; Kelly, New York .357; J. Johnston, Brooklyn .353; Daubert, Cincinnati .347; S. Smith, St. Louis .339; Bancroft, New York .328.

Wyatt Back On Top

As a result of connecting with thirteen hits in his last six games, Myatt of Milwaukee climbed back into the lead in the race for the batting leadership of the American Association. The averages today show him batting .408, with Brown of Indianapolis in second place with .387. Brown was seventh in the list a week ago, but he started on a battingrampage that netted him sixteen hits in seven games. The averages include games of Wednesday.

"Reb" Russell, the Minneapolis veteran is threatening the home run performance of Bunny Brief of Kansas City, who is leading the race with fourteen. Russell has crashed thirteen homers. Krueger of Indianapolis has connected with ten.

In base stealing, Haas of St. Paul continues to show his heels to his rivals with a total of 12 thefts.

Other leading batters for forty or more games: Kirke,, Louisville, .380; Lamar, Toledo, .373; Krueger, Indianapolis, 366; Hendry, St. Paul, .364; Lear, Milwaukee, .362; Becker, Kansas City, .362; Gossett, Milwaukee, .350; Haas, St. Paul, .348; Russell, Minneapolis, 346.

Professionals To Strengthen Rule Against Collegians

Columbus, O., June 24—Steps will be taken at the meeting of the American Professional Football Association, to be held in Cleveland today and tomorrow, June 24 and 25, to strengthen the rule which prohibits the use of college players on professional clubs, Joe F. Carr, president of the association, announced here today.

Among the 22 clubs affiliated with the association last year, only one violation of college player rule was reported and that club was dropped from membership Mr. Carr said. The rule which formerly only carried as a penalty expulsion from the association now provides for a $1,000 fine.

Will Name Officials

Future games of the Association, President Carr said, will be handled by officials appointed by the president, thus eliminating the former practice of officials being chosen by coaches of the contending elevens.

At the meeting applications for membership from the following cities will be acted upon: New Haven, Conn., Duluth, Minn., Sioux City, Ia., Toledo, O., Youngstown, O., Milwaukee, Wis., Green Bay, Wis., and Racine, Wis. Other business of the meeting will include adoption of a new constitution and by-laws and consideration of new rules providing for fines ranging from $25 to $1,000 for various violations and a salary limit rule.

Among cities which will be represented in the association this year are: Buffalo, Rochester, New York, Cleveland, Cincinnati, Akron, Dayton, O., Chicago, (two teams), Detroit, Evansville, Hammond, Ind., Louisville, Ky., Rock Island, Ill., and Minneapolis, Minn.

St. Lawrence Club Team Meets Swampers Tomorrow

The St. Lawrence club meets the Green Bay Swampers at Ahdawagam field tomorrow afternoon in what is billed as one of the snappiest games of the season in the local amateur league. The Swampers are reported to have signed up some new battery material from some of the other local teams in an effort to put over a win. Perling and Couche will do the heavy work for the Lawrentians.

King George and Queen Mary have accepted invitations to be guests at dinner this evening of the American Ambassador and Mrs. Harvey.

The Grover Cleveland Association of New York today will decorate the grave of the late President in Princeton cemetery, on the 14th anniversary of his death.
